## GRAND FALL OPENING AT OPERA HOUSE AND GEM NEXT WEEK

Big Feature Opens the Fall season at Popular Show Houses Monday—Many Other Features Fill the Entire Week.

The managers of the Washington and Gem Theaters announce a big fall opening at these popular movie houses next week and they have offered a program of unusual merit with big features for every day in the week.

The first day's program is one of the biggest features of the year with that popular actress Billy Burke in the leading role.

A colonel and a captain figure prominently in Billie Burke's new Paramount-Aerocraft photoplay, "The Misleading Widow," but the story hasn't a thing to do with the war. On the contrary, it is as delightful a screen romance as has ever captivated an audience. Miss Burke is the charming Mrs. Betty Taradine, who is popular with all the folks in the little New England village where she lives, except an old maid, who wonders what has been keeping Taradine away all these years, and several butchers and grocers and tradesmen of other kinds, to whom Betty owes money.

To hush up the insistent demands of these latter, Betty announces that her husband, who left her many years previously, is dead, hoping thus to collect his insurance. But Friend Husband isn't disposed to pass away so easily and shows up in the person of Captain Rymill, U. S. A., whereupon Mrs. Betty is much put out, and complications ensue thick and fast. How they are finally straightened out is too good to give away. One must see the picture.

### LAST BIG NIGHT OF CARNIVAL.

Tonight will be the last big night of the American Legion Carnival and it is expected that there will be great crowds on the grounds. The last Saturday night is always the biggest night of the whole week. There will be several big features tonight to attract the people. Thus far the week has been a very good success, but the American Legion members are hoping that tonight will put them "over the top."

## COUNTY BOARD OF EDUCATION TO HOLD IMPORTANT MEETING

Several Teachers and Attendance Officer to Be Elected and Plans for Institute To Be Made.

A very important meeting of the Mason County Board of Education is to be held at the office of County Superintendent Turnipseed at the court house Monday. This will be the regular August meeting of the board and the last regular meeting before the teachers' institute.

Plans for the institute are to be discussed and finally decided upon and several vacancies of teachers are to be filled at this meeting. If it is impossible to fill these vacancies at Monday's meeting it will be necessary to hold special meetings during the month as the teachers are to be elected before the institute is held.

Prof. W. P. King, of Newport, will be the chief instructor at this year's institute and several special features are being arranged, including a special training by a Y. M. C. A. expert in recreation and play.

Another important matter to come before the County Board at Monday's meeting will be the election of an Attendance Officer for the year. It is understood that there are several applicants for his position, both men and women.

### POPULAR GROCER RETIRES.

Mr. Fred Cabish having disposed of his entire holdings in the Cabish Grocery in Third street to Mr. Stanley Lee, retires from that business today after an enviable record. Mr. Cabish is one of the most popular of the younger business men of Maysville and his many local friends hope that he will not leave Maysville but will soon again be definitely located here. In whatever line of business he may enter, his friends wish for him much success and believe that success cannot but help follow his manner of doing things.

### MRS. KELLEY'S FUNERAL IS HELD TODAY.

The funeral of Mrs. Bessie Kelley was held this morning at 10 o'clock from the home of the parents, Mr. and Mrs. Q. R. Shipley with services by Rev. Davis, of the Baptist church. Burial was made at Flemingsburg.

Miss Rosilind Gant, of Indianapolis, Ind., instructor of English in the Maysville High School last year, spent Friday with friends here. Miss Gant's many local friends will be very glad to know that she will return here next year.

## GOVERNMENT TO FINISH DAM HERE WITHIN NEXT TWO MONTHS

Fleet of Government Boats arrived Friday Evening and Work Will Be Started Monday—Many Will Be Given Employment.

Some several months ago the Government took the contract for the completion of Dam 33 at this place from the contractors, the Bates-Rogers Construction Company, expecting to complete the work this year. Appropriations for its completion were made last week and Friday evening a fleet of government boats arrived here to begin work on the great lock and dam.

It is understood that superintendents and foremen are arriving here today and the government expects to begin its work in earnest next week when three shifts of men will probably be put to work and the job rushed to completion in order that the entire works may be thrown open about the first of October at which time a great demonstration is being planned.

The construction of the local dam will cost a vast amount of money and has required several years of time and labor of hundreds of men. Because of the advance of all material, labor, etc., the contractors who took the job on a bid were unable to complete the work and the government has relieved them of this big undertaking because of the unusual advance of everything necessary to the work.

### LEXINGTON POSTAL CLERK ARRESTED AS MAIL RIFLER.

Lexington, Ky., July 31.—Charged with the theft and rifling of special delivery letters, Robert R. McCarty, 28 years old, an employee of the Lexington postoffice inspectors. McCarty is said to have confessed, declaring he needed the money. He is married and has one child. He was released on \$500 bond following a hearing before United States Commissioner Charles Whlard.

### TWO OPERATORS DID NOT JOIN STRIKE.

We have been advised that two telephone operators who worked during the period that other operators were on a strike Thursday, had not joined the strike. The Ledger in a previous article stated that these girls returned to work when as a matter of fact, they were not to report until the middle of the day and were not members of the striking force of operators.

### FORD DELIVERY TRUCKS.

Busby's Economy Stores, Incorporated, will sell on Market street at 1 p. m., Monday, August 2, 1920, County Court day, at public auction, two Ford Delivery Trucks in good condition. Can be seen at Buick Garage. Just what you want.

### BUSBY'S ECONOMY STORES, Incorporated.

### MONDAY IS COURT DAY.

Next Monday is County Court day in Maysville and promises to be a big day as the local merchants are offering special bargains. The big sale at Merz Brothers store is expected to draw big crowds from the country. It is hardly expected that there will be much activity in stock on the trading ring because of the season of the year.

### DISASTROUS FIRE

### AT STOUT, OHIO.

Stout, Ohio, a village in Adams county located near Vanceburg, was visited by a very disastrous fire early Friday morning. Several buildings were destroyed and damaged. Mr. Albert Bocock, former local painter, who has been operating the hotel in that village, is probably the heaviest loser.

### MANY TO SPEND SUNDAY AT RUGGLES CAMPGROUNDS.

As usual, it is expected that there will be a great number of Maysville people spend Sunday at Ruggles Campgrounds. Rev Hubert Humble, of Ohio, who is the evangelist, is expected to preach both morning and evening and a special song service is being arranged.

### SEVERAL ATTEND BIG CHURCH HOME COMING.

Several local Baptists went to Mayville today to attend the Home Coming celebration being held at the Mayville church today and tomorrow. Others will spend Sunday at Mayville attending the services. Former pastors of that church will speak.

### PIANO FOR EASTLAND SCHOOL.

The live Parent-Teachers' Association of the Eastland School has purchased a fine piano which they are installing in the school building. This organization will pay for the instrument by popular subscription and the ladies are now canvassing the patrons for contributions.

Miss Edna Lewis Wells, of Ashland, has returned home after a very pleasant visit with relatives and friends here.

## HALL MAKING GOOD RECORD DESPITE HIS BIG HANDICAP

Although Shooting While Supported By Crutches, Maysville Ex-Champion Breaks 138 out of 150.

Sixty-five trapshooters took part in the first day's shooting of the Kentucky State Tournament held yesterday on the range of the Louisville Gun Club. Good score features the opening. The tournament will come to a close this afternoon.

A lively race is on between several of the best shot in the country with Guy Grigsby of Louisville and B. F. Hills of Lexington, leading for championship honors. Each has a score of 145 out of a possible 150. E. F. Woodward of Houston, Texas, proved the leading amateur shooter the first day with a score of 147. B. F. Duncan of Tennessee was high gun among the professionals.

Despite the fact that he is badly handicapped with a broken leg, Ex-Champion W. Houston Hall, of Maysville, broke 138 pigeons out of 150 shot at for the first day. Dr. J. A. Simpson, also of this city, broke 134 out of 150.

## REDUCTION OF CROP OF BURLEY TO BE CONSIDERED NEXT WEEK

Growers From Forty Counties Will Meet Wednesday In Lexington To Act on Cutting Crop.

Material reduction of the Burley tobacco crop will be considered at a mass meeting of growers of forty counties at Lexington Wednesday.

The project to substitute corn, wheat and other foodstuffs was launched at a meeting of growers in Carrollton July 24 when 500 persons, representing seven counties, voted to call a meeting in Lexington to which every county in the Burley district would be invited.

The action is due to reduced prices for tobacco last season and uncertain prospects this year.

The call for the meeting, which was mailed to several thousand farmers and to the press, reads:

"At a meeting of the tobacco growers held in Carrollton, Ky., Saturday, July 24, 1920, the meeting was largely attended, more than 500 growers present and seven counties being well represented. At this meeting it was decided to call a mass meeting at Lexington, Ky., for Wednesday, August 4, 1920, of all the counties in the Burley district for the purpose of fully discussing the tobacco situation and the advisability of curtailing its production and planting a large acreage of corn, wheat and other foodstuffs.

"We urgently request that all the counties in the district send a delegation to this meeting, as this is not a one-man's proposition and nothing can be accomplished only through co-operation of all growers of tobacco.

"If you are interested in such a meeting and for the betterment of your county, meet us in Lexington August 4. C. M. DEAN, Chairman."

### COUNCIL HAS LITTLE BUSINESS.

City Council has very little business of importance to come before them at the August meeting on Monday evening. So far nothing but routine business has developed and it is expected that the councilmen will attend to it in short order.

### BEAUTIFUL EAST SIDE HOME SOLD TODAY.

Through the Morris Realty Company

Dr. G. L. Howard today sold his beautiful home in East Second street, Sixth ward, to Mr. A. A. Ashenhurst, of Concord, Ky., retired merchant, who will move here in the near future. This is one of the most beautiful homes in the entire city.

## RATE TIME OF PITCH-FORK THROUGH ARM

Highland County Farmer Met With Queer Accident Loading Hay.

Hillsboro, Ohio.—A time of a pitchfork was run through the left forearm or Phil Utman Wednesday afternoon says the Hillsboro News-Herald. The time passed between the bones of his forearm and stuck out several inches on the other side of his arm.

The accident occurred on the farm of Bert Mercer a few miles south of town. Phil was helping load hay. He was working on the wagon. Just as he was taking a forkful of hay the horses started suddenly to move. This caused him to lose his balance and fall. He struck his left arm on one of the tines of his pitchfork, the tine going clear through his arm and sticking out on the other side.

He was taken to a physician and the wound dressed. It is healing nicely but he is still carrying his arm in a sling.

### W. S. YAZELL, LAWMAKER.

At the primary election to be held in the Ninth Congressional district on Saturday, August 7th, the Republicans of this district will select a candidate to oppose Congressman W. J. Fields for the Ninth District's seat in the lower house at Washington.

There are six candidates for the nomination and all six are, so far as we know, high class gentlemen of ability, any one of whom would bring credit to the district should he be the candidate but there is but one who has been tried out as a lawmaker and that's the duty of a Congressman—to make laws.

Dr. Yazell, Mason county's entrant in the race, has been tried out and has proven himself most efficient in this respect. In other words, he is qualified and experienced. The other aspirants for the nomination are all probably qualified but they have not been tried out. Dr. Yazell's term in the Kentucky General Assembly has proven him a most capable law maker. Governor Morrow says the Yazell school bill is one of the most forward looking acts of the 1919 Assembly while Dr. A. T. McCormick, Secretary of the State Board of Health, and a Democrat, says: "If you send a Republican to either the state or the Federal House, send Dr. Yazell for he has proven himself." Dr. Yazell's conduct of the Health legislation of the state during the last legislature, for he was chairman of the committee on Public Health, was thereby given the unqualified endorsement of a Democratic Secretary of the State Board of Health.

The Republican party can feel safe in giving this nomination to Dr. Yazell. He was a very active member of the Republican Steering Committee at Frankfort and one of the state administration's most often consulted advisors.

The Mason county candidate is not only a qualified and an experienced law maker receiving the endorsement of the state administration and Democrats, alike for his work at Frankfort but he is one of the strongest men the Republican party could nominate for his personal popularity. No man throughout Mason county has more friends than has Dr. Yazell and where ever his personality has been shown he has made many friends. His nomination will bring to the Republican column more Democratic votes for Congressman than the nomination of either of the other five aspirants. His nomination and election will bring to the Ninth Congressional District the respect, honor and confidence due it at Washington. He will be heard and felt at the National capitol and will spend his time attending to his official duties instead of building a political machine for the continuance of himself and his political co-horts in power.

### BIG LIQUOR SEIZURE THIS MORNING.

Liquor valued at \$25,000 was seized at Dayton, O., Friday by E. R. Kendig, deputy U. S. Marshal, under orders from James R. Clark, U. S. district attorney at Cincinnati.

The seizure consisted of seven barrels of gin, three barrels of whisky and one barrel of wine.

Stephen W. McGrath, revenue collector, alleges the liquor was brought into the district for purpose of sale with intent to defraud the government of taxes. According to McGrath's affidavit, the liquor was consigned in April, 1918, by B. Sapirle, of 875 Indiana avenue, Indianapolis, Ind., to himself in care of the Lincoln Storage Co., 315 E. First street, Dayton.

McGrath says no inventory of the shipment was made with the revenue officer and the floor tax was not paid on the liquor.

## The SINCLAIR LAW of LUBRICATION

FOR EVERY MACHINE, OF  
EVERY DEGREE OF WEAR THERE  
IS A SCIENTIFIC SINCLAIR  
OIL TO SUIT ITS SPEED AND  
CONSERVE ITS POWER.

THE degree your motor is worn determines which grade of Sinclair Motor Oil you should use.

New motors have snug-fitting parts.

After traveling a few thousand miles, the parts loosen up.

After 15,000 miles, the parts are somewhat worn, and a heavier Sinclair Motor Oil must be used to fill the gaps caused by wear.

Each heavier Sinclair Motor Oil (as applied by the Sinclair Index) improves compression; less of it will work up into the combustion chamber to form carbon; and it will largely prevent gasoline working down to destroy the lubricant.

The Law of Lubrication is applied to the present condition of your particular car in the Sinclair Recommendation Index. Ask the nearest Sinclair Dealer for a copy.

## IN THE DAY'S NEWS.

Senor Don Ignacio Calderon, who is about to retire from his post of Bolivian Minister at Washington, is the dean of the South American diplomats in service in the United States; in fact, but one other diplomatist of all those accredited to the United States has occupied his post longer than he—the ambassador of France. Mr. Calderon was born in La Paz, the Bolivian capital, 72 years ago today and was educated in his native country and in Europe. He made his first visit to the United States as a special representative of Bolivia to the Philadelphia centennial exposition in 1876. In 1904 he returned as his country's representative in Washington and his service has been unbroken since then. For years he has labored indefatigably and successfully to make Bolivia better known in the United States and to enlist American finance in the development of the vast natural resources of his country.

## FOR TORPID LIVER

Tennessee Lumberman Talks of His Successful Use of Black-Draught for Colds and Headaches.

Jamestown, Tenn.—"I have used Thedford's Black-Draught for years, in fact it is the only liver medicine that does me any good," says Mr. L. A. Ragan, a well-known lumberman of this place. "When I was single, I used it for headaches, and especially if I get a cold and feel feverish, I take a good dose of Black-Draught, and it sets me right."

"Since I have been married, I have used it in my family, and never have found its equal for torpid liver or disarranged stomach, especially with children. I can recommend Black-Draught, and gladly do so."

Every member of the family occasionally needs the assistance that Black-Draught can give, in helping to cleanse the system and relieve or prevent the troubles that come from a lazy, torpid liver.

If your liver is not doing its duty, you may suffer with headache, constipation, biliousness, indigestion, etc. Unless relief is obtained, serious sickness may result. In its long and successful use, Thedford's Black-Draught has been found in thousands of cases to relieve such disorders, by stimulating the liver to do its important work.

Ask for Thedford's Black-Draught, and insist on the genuine. NC-137

Cataract Deafness Cannot Be Cured by any applications, as they cannot reach the disease, and as there is only one way to cure cataract deafness, and that by a constitutional remedy.

Cataract Deafness is the inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have running water, perfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation is removed, and the tube returns to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by cataract which are an inflammation of the mucous surfaces. Hall's Cataract Medicine acts thru the blood on the mucous surfaces of the eyes.

Va., six Government buildings having been purchased and the plans prepared for the erection of additional structures for the manufacture of distilleries, acid colors, direct colors, etc. At Nitro also five sulphur acid units, including two nitric acid and two acid-recovery units, have been purchased by an aluminum company of Detroit, Mich., for the purpose of manufacturing fertilizer, etc.

A \$5,000,000 motor express company has been formed at Jacksonville, Fla. In a Texas town a \$750,000 marble company has been organized for development purposes. In a North Carolina town a \$200,000 brick-manufacturing company, with extensive clay-brick holdings, plans the erection of a plant with a daily capacity of 100,000 bricks.

Freight and passenger terminals, shops, etc., will be erected by the Texas & Pacific Railway at Eastland, Texas, at a cost of \$1,000,000. Shops and roundhouses costing \$500,000 will be erected at Columbus, Ga., by the Central of Georgia Railway Co.

A new office building 24 stories high and costing \$2,000,000 is planned for Fort Worth, Texas. Baton Rouge, La., is to have a lode building costing \$400,000, and Newbern, N. C., a \$300,000 Masonic building. At Atlanta, Ga., a \$300,000 hospital annex building will be erected.

SHOOT'S AT CAT AND KILLS WIFE.

Denver, Colo.—There will be no inquiry in connection with the death by shooting of Mrs. Bertha F. Wood, Coroner W. Woods, of Jefferson county said. Investigation showed, he said that the shooting was entirely accidental.

The fatality occurred when James R. Wood, the husband of Mrs. Wood, went into the back yard to shoot a house cat which had been killing their chickens.

"I'm going out to kill that cat before it gets more of the poultry," Wood said, as he started into the back yard with a .22 calibre rifle.

Mrs. Wood followed him. It was then nearly dark. After searching about the premises for several minutes, in which he had walked some distance from his wife, Wood saw what he believed to be the cat, and fired. The bullet struck her upper arm and passed into her heart. Mrs. Wood died instantly.

In Austria, since the war, all educational institutions have been opened to women.

Mrs. Taft was the first and only wife of a President to ride with her husband to the White House following the inauguration.

## Aberdeen News

Miss Catherine Watson, of Augusta, is visiting her aunt, Mrs. Hulda Jones, of Second street.

Mrs. Rena May Bell, has returned to her home in Dayton, after several weeks visit with her parents here.

Messrs. Joe and Clyde Wentz, of Parnasus, Pa., were here several days recently. They are lovers of the curios, and are making a tour of several states in their auto-truck, equipped for camping, etc., and are collection Indian relics and other curiosities. They left here for Fleming County, Ky., and other points in Kentucky and Tennessee, see expecting to return via Mammoth Cave.

Rev. E. E. Boggs has returned from a trip to Ashland, Huntington, and other up-river points.

Mr. Pascal Catron who recently purchased property of Mrs. Edith Fleming and moved to this place, has sold his property and will soon leave for North Carolina, where he is auctioneer in a loose-leat tobacco warehouse. He will return, however, when the Ripley and Georgetown markets open.

Mrs. Burgett has returned to her home near Peebles, Adams county, after a visit of several days with her daughter, Mrs. Pascal Catron.

Richard Earls, of this place, and T. S. Boggs, formerly of this place but now of Maysville, are opening a grocery store at 328 East Fourth street, Maysville.

Mrs. Lucy McMillan, of Huntington, W. Va., was a recent visitor to relatives here.

The late census report, showing a decrease of population for Aberdeen, started some of us to thinking, and wondering how this could be possible when every house in town is occupied. A casual glance at a large number of families will explain the cause, for as a rule, the families are very small, ranging in number from one to three persons in a family. There are hardly any large families in Aberdeen. Many who reside here find work in Maysville, but many others, when reaching manhood, or womanhood, are not satisfied with Maysville wages, and leave for Cincinnati, Dayton, Columbus, Toledo, Akron, or other large places where wages are much higher. Hence Aberdeen does not increase in population, nor will Maysville increase as other cities until she is willing to pay the wages for work that other cities pay.

A Mr. Carpenter and family, of the Mayslick neighborhood have moved to Aberdeen, taking up their residence in West Third street.

Miss Mable Crowell, after a pleasant visit with her mother, Mrs. Mollie Crowell and other relatives, returned to her home at Logan, W. Va., today.

WANTED

## RUGGLES CAMP

Ruggles Campground, July 30, 1920. Campmeeting is now in full blast—all regular services being held on schedule time and with encouraging attendance. The first early morning prayer service was held this morning with Rev. T. H. Conrey in charge. A very precious service, sending all present forth for a good day with the preparation given.

At 10:30 a splendid sermon from Rev. H. G. Carroll of Buena Vista, O. Brother Carroll is an old friend of the camp, having served on the Tollesboro work at one time. It goes to show what a hold Old Ruggles gets on everyone who ever attends. They just cannot stay away.

The women's service was held at 1:30 with Mrs. Hendrickson in charge.

At 3 p. m. Evangelist Humble was pressed into service for an address to the young people. He availed himself of the opportunity to give them a splendid and very practical message.

There is an unusually large number of splendid young people here this year, especially of the feminine persuasion. Hardly enough boys to go around—just a hint to the boys. Come on to Ruggles and see the pretty girls we have out here.

The arrival of Prof. J. Robert Currry, our pianist, this afternoon, was the signal for an outburst of joy on the part of all interested in the choir. Pending his arrival the place as accompanist has been filled by Miss Richardson.

Rev. J. D. Haggard, of Louisa, arrived this afternoon. His congregation has voted him a vacation and "Ruggles" looked so good to him that he set sail for this delightful spot at once.

Mr. and Mrs. Oral James and son arrived this afternoon and are camping in our Kentucky Home. One more room to fill and our "Home" will be packed to the limit.

Mrs. John R. Brodt arrived this afternoon for the remainder of the camping.

There was a large crowd out this evening to hear Evangelist Humble. His sermon was from the text "Which Is Your Reasonable Service?" It was a very attentive people that listened to his plain but powerful message. The evangelist is winning his way early in the meeting. Those who visit the camp Sunday are assured of great sermons. Everyone who can come should do so as it will be the only Sunday chance to hear him.

## SELF-RELIANT HOME DOCTORS.

Is what women are called who all over this broad land make their annual collections of roots and herbs, and rely upon recipes which our pioneer mothers found dependable for different family ailments. In one of these recipes, Lydia E. Pinkham's Vegetable Compound had its origin and so successful has it proved that there is hardly a city, town or hamlet in America where some woman who has been restored to health by its use does not reside.

PASTIME NEXT WEEK.

Monday — Antonio Moreno in "The Invisible Hand." Also Sunshine widow in "Heart Snatchers," and International News.

Tuesday — "The She Tiger."

Wednesday — Blanche Sweet in her masterpiece "Fighting Cressy."

Thursday — Frank Mayo in "Burnt Wings."

Friday — "The Adventures of Ruth" a big western and a good comedy.

Saturday — "Broncho Kid" featuring Hoot Gibson. "My Salome Lion," comedy and new Screen Magazine.

CARLISLE MAN IS ELECTED HEALTH OFFICER.

At a meeting of the Mason County Board of Health held this afternoon, Dr. Frank Reynolds, of Carlisle, was elected full time Health Officer of Mason county. Dr. Reynolds will begin his duties just as soon as possible.

## WHAT'S THE REASON?

Many Maysville People in Poor Health Without Knowing the Cause.

There are scores of people who drag out a miserable existence without realizing the cause of their suffering. Dry after day they are racked with backache and headache; suffer from nervousness, dizziness, weakness, languor and depression. Perhaps the kidneys have fallen behind in their work of filtering the blood and that may be the root of the trouble. Look to your kidneys, assist them in their work—give them the help they need. You can use no more highly recommended remedy than Doan's Kidney Pills—endorsed by people all over the country and by your neighbors in Maysville. Ask your neighbor!

Mrs. M. Holliday, 221 W. Second St., Maysville, says: "At times, my back becomes weak and lame and has ached across my kidneys. My kidneys have been irregular in action and I have had dizzy spells and headaches. I have always used Doan's Kidney Pills, getting them at Wood & Son's Drug Store, and they have never failed to relieve these complaints."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Holliday had. Foster-Milburn Co., Mrs. Buffalo, N. Y.
